## Sports Day 2 Update Friday 5<sup>th</sup> July 2019

Dear Parents/Carers,

I am writing to you to update you on the arrangements for the annual Sports Day, which takes place on Friday 5<sup>th</sup> July. On Friday 5<sup>th</sup> July all our Year 6 students will be escorted to the Hillgrove Site to be part of the Year 7, 8 and 9 track 'finals' in the annual sports day. A small number of Year 6 students will be selected to represent either the Blounts, Chads or Queens House to take part in the track events and all other students will be involved in a range of adapted athletic activities. All Year 6 students will need to attend school wearing their primary school physical education kit and they will be walked up to the Hillgrove Site after their lunch. Please be aware that our Sports Day is only for students and staff and so parents/carers are not able to attend.

Students will be dismissed at the end of the school day from the Hillgrove Site at the normal time of 2.55pm, as outlined in the Sports Day letter issued in April, which included the permission slip.

If you are collecting your son/daughter from the Hillgrove Site please do so from the Sports Hall. Please be aware that the Hillgrove Site is busy and we do not have capacity for students to be picked up in vehicles from the school site and therefore an alternative arrangement should be made.

In the event of adverse weather conditions will do everything we can to continue with the adapted activities using our indoor facilities on the Hillgrove Site. However in the event of particularly poor weather forcing us to postpone the day, students will remain in normal lessons for the whole day on the Borrington Site and a message will be placed on our website confirming this. A text message will also be sent via your son/daughter's primary school.

It is important that students prepare themselves appropriately for the day, particularly as weather can be hot at this time of year and there is very little shade. Please ensure sun cream is applied; provide a hat and plenty of fluids (water and still squash would be appropriate). No energy drinks are permitted.

We hope it will be an enjoyable experience for all. Further information will follow but if you have any questions please contact me via the school e-mail [jwilkinson@kingcharles1.worcs.sch.uk](mailto:jwilkinson@kingcharles1.worcs.sch.uk)

Yours sincerely,

James Wilkinson  
Assistant headteacher
