School Uniform

Dear Parent/Carer,

We are proud of our standards of school uniform that are the result of a high degree of co-operation between parents/carers, students and the school.

We are firm believers in a school uniform that is properly and consistently worn. We believe that this helps young people to develop a real pride in themselves and their school and to look smart helps them to think smart too. Uniform helps students to feel part of our community, and makes the point that there is no discrimination. It sets a standard which supports our expectations of work and behaviour. We find it helps maintain the right environment for learning.

It is important to highlight that hoodies must not be brought into school or worn around the school site. During the winter months, students can wear a school jumper (available at the school shop) and/or a coat over the top of their blazers.

All students wear their uniform both in school and when representing the school at events or on visits. When the students are travelling to and from school in the community we expect that the same high uniform expectations are met with the students wearing the uniform with pride and role modelling our beliefs. In this respect we expect no less from our students than an employer would expect of their employees.

Please find attached the details of the school uniform and a guide detailing appropriate skirts, trousers and footwear. Please note the skirts, trousers and footwear in the various photos are not the only ones that can be bought. They simply illustrate what is appropriate uniform.

Should students attend school wearing inappropriate uniform we reserve the right to place them in isolation until the issue has been rectified and our expectations have been met.

I have also attached some uniform information from The School Shop and a discount voucher that all parents/carers can use. I look forward to meeting you all at the New Intake Evening on Thursday 4th July 2019.

Yours sincerely,

James Wilkinson
Assistant headteacher (head of Borrington Site)

School Uniform

At King Charles I School we are proud of our standards of school uniform that are the result of a high degree of co-operation between parents/carers, students and the school.

We are firm believers in a school uniform that is properly and consistently worn. We believe that this helps young people to develop a real pride in themselves and their school and to look smart helps them to think smart too. Uniform helps students to feel part of our community, and makes the point that there is no discrimination. It sets a standard which supports our expectations of work and behaviour. We find it helps maintain the right environment for learning.

All students wear their uniform both in school and when representing the school at events or on visits. When the students are travelling to and from school in the community we expect that the same high uniform expectations are met with the students wearing the uniform with pride and role modelling our beliefs. Outdoor coats may be worn over, but not instead of, blazers which are compulsory in Years 7, 8, 9, 10 and 11. In this respect we expect no less from our students than an employer would expect of their employees.

We recommend that name tapes should be put into all garments.

The school keeps a stock of uniform and shoes. If students attend school dressed inappropriately, they will be expected to borrow items and change. If this is not possible we reserve the right to place students in isolation until the issue has been rectified and our expectations have been met.

As a health and safety measure, long hair should be tied back from the face whenever students are required to do so. This applies to both boys and girls. Hair bobbles used to tie the hair back should be brown or black-other colours are not acceptable. Hair bands must be brown, navy or black. Hairstyles should be in keeping with a formal place of work. Therefore, no extreme hair styles or colours are permissible-eg dip dyeing, extreme bleaching, patterns shaved into the hairstyle or eyebrows are not permitted.

Bags

Students in Years 7, 8, 9, 10 and 11 should have a suitable bag that is appropriate for day-to-day use. All students have the use of a school locker where they should leave their bag at the beginning of the day. They should ensure that they take all appropriate equipment from their lockers to lessons. Lockers can be accessed before and after school and at break/lunch times. They should not be accessed between period 1 and 2/4 and 5 or during lessons.

Shin Pads: For safety and protection, shin pads are compulsory for all football lessons, training and fixtures for all girls and boys.

Mouth guards: The wearing of personally designed mouth guards is recommended as a valuable means of protection for rugby training and fixtures. Lessons in Year 7 & 8 will involve 'touch rugby' and therefore would only be optional due to tackling restrictions.

Studs for football boots: Students wearing football boots should ensure that their studs are of the new composite type carrying the British Standard Kite mark. Rubber moulded studs are the most appropriate but blades and metal studs are not permitted on the 3G astro turf facility on the upper site.

NB: Several curriculum lessons are timetabled on the 3G astro turf in Years 9 to 13 so please be aware of this when buying new trainers.

The wearing of jewellery, earrings and ear-studs are not permitted on safety grounds during physical education lessons and other sporting activities such as out of hours school learning or competitive fixtures. These items represent a potential hazard not only to the wearer but also to other students. **Removal of any jewellery will be insisted upon, so please take this into account when considering piercings and the healing period. Plasters placed over piercings are not permitted. Failure to remove any jewellery upon request will be treated as defiance and the student will be issued a C3 and removed from the lesson.**

Technology

Students will be provided with aprons for their technology lessons. All students opting for GCSE catering will need to purchase chef whites, hat, hair net and a navy and white butcher's apron.
