## Become a parent Governor

Dear Parents/Carers

With the advent of the new school year and the start of your son/daughter's education at King Charles, I am writing to you to enquire if you would be interested in becoming a governor of the school. I myself have been a governor for more than 25 years and have found it both very rewarding and fulfilling.

The role of a governor is to be involved in the strategic direction of the school and to hold it to account to ensure that it delivers the best possible education for all its students. With the exciting development of the King Charles I School becoming part of The Four Stones Multi Academy Trust with Haybridge High School, the focus of the King Charles I School governors will be much more on educational outcomes for the students-eg teaching and learning, curriculum, standards and attainment.

The governors meet once each half term, i.e. six times a year, the meetings usually lasting a maximum of two hours. There is therefore a time commitment but the rewards from this I believe are substantial. If you would be interested in becoming a governor I should be grateful if you would be good enough to contact the school or ring me on the number below.

Yours sincerely,

Alan J Neal  
Chair of Governors
