

# Trips calendar 2016/2017

We are pleased to offer our students numerous school trips for them to go on. The trips calendar below lists the trips that are currently planned for the 2016/17 academic year. The trip organiser will send out letters to the relevant parents/carers giving more information about the trip.

Please note that these trips will only run if there are enough students interested in going on them and although a trip appears on the list below, it is subject to change, and parents/carers will be notified of this by the relevant member of staff responsible for organising the trip.

Any subject based trips for Years 11, 12 and 13 will not be allowed after February half-term as this is the most crucial period of study, and could significantly impact on the progress of your son/daughter.

There will be other trips available and the calendar will be updated on a regular basis.
