

## Worcestershire Virtual School Games

We are really excited to let you know that our Worcestershire Virtual School Games is nearly upon us! On **Monday 1st June** (less than 2 weeks away) our Worcestershire Virtual School Games Activity Village opens to all schools across Worcestershire.

This is a great opportunity to give all pupils a taste of competition and an opportunity to represent their school in the process and feel part of a school team. All participants will receive an e-certificate and there will be prizes for the primary and secondary school with the highest number of entries.

Details of all challenges are available to download via [www.activehw.co.uk/worcestershire-school-games](http://www.activehw.co.uk/worcestershire-school-games).

**What do you need to do?** The first challenges will go live on Monday 1st June at 8am. See below for the entire events schedule:
