

School Uniform

Dear Parent/Carer,

We are proud of our standards of school uniform that are the result of a high degree of co-operation between parents/carers, students and the school.

We are firm believers in a school uniform that is properly and consistently worn. We believe that this helps young people to develop a real pride in themselves and their school and to look smart helps them to think smart too. Uniform helps students to feel part of our community, and makes the point that there is no discrimination. It sets a standard, which supports our expectations of work and behaviour. We find it helps maintain the right environment for learning. The details of the school uniform and a guide detailing appropriate skirts, trousers and footwear can be found attached to this letter. Please note the skirts, trousers and footwear in the various photos are not the only ones that can be bought. They simply illustrate what is appropriate uniform.

All students wear their uniform both in school and when representing the school at events or on visits. When the students are travelling to and from school in the community we expect that the same high uniform expectations are met with the students wearing the uniform with pride and role modelling our beliefs.

We know that moving from primary to secondary school can be an expensive time for our families. We are keen to support and so will be providing a stationery pack and financial support for 3 branded items of uniform. Year 7 students who have been offered a place at King Charles I School to begin in September 2022 will be provided with the following 3 badged items of uniform free of charge: blazer, tie and PE polo shirt. Please be aware that these items will only be provided once and any replacement items must be purchased by parents/carers. The jumper and the PE hooded top are optional items, which can be purchased. A reminder that no alternative jumper is permitted. Students are not permitted to wear hoodies at any other time. Outdoor coats may be worn over, but not instead of, blazers, which are compulsory in Years 7, 8, 9, 10 and 11. In this respect we expect no less from our students than an employer would expect of their employees. The PE hooded top may only be worn for PE lessons.

In order to claim the items of uniform, please take your son/daughter along with this letter, to 'The School Shop', 30/31 Worcester Street, Kidderminster, DY10 1EQ. The badged items can only be supplied free of charge if your son/daughter has tried everything on in the shop. The School Shop will have information regarding the house tie colour required. The offer is only available from Monday 4th July 2022 until Saturday 6th August 2022. Saturday 6th August is the last day that the 3 branded items can be supplied free of charge. The School Shop will also be offering a 10% discount on all additional items, valid for purchases over £60.00, up to Saturday 6th August.

Attached, at the end of this letter, is a current price list of uniform and the 10% discount voucher. Please complete all the details on the attached form and take it to The School Shop with your son/daughter.

As a school, we regularly request whether families have any good quality uniform to donate if their son/daughter has out grown items and make these available as second hand. We have a very limited stock but it is always worth making an enquiry if you are in need of any good quality second hand uniform. All enquiries should be made via email (office@kingcharles1.worcs.sch.uk).

As we have previously stated, we are conscious of the cost of the school uniform and want avoid items having to be replaced unnecessarily. To avoid uniform (particularly blazers) being lost at school, we recommend that name tapes should be put into all garments.

The school keeps a stock of uniform and shoes. If students attend school dressed inappropriately, they will be expected to borrow items and change. If this is not possible we reserve the right to place students in isolation/out of lessons until the issue has been rectified and our expectations have been met.

Yours sincerely,

James Wilkinson
Assistant headteacher
Head of Borrington Site

Shin Pads: For safety and protection, shin pads are compulsory for all football lessons, training and fixtures for all girls and boys.

Mouth guards: The wearing of personally designed mouth guards is recommended as a valuable means of protection for rugby training and fixtures. Lessons in Year 7 & 8 will involve 'touch rugby' and therefore would only be optional due to tackling restrictions.

Studs for football boots: Students wearing football boots should ensure that their studs are of the new composite type carrying the British Standard Kite mark. Rubber moulded studs are the most appropriate but blades and metal studs are not permitted on the 3G astroturf facility on the upper site.

NB: Several curriculum lessons are timetabled on the 3G astroturf in Years 9 to 13 so please be aware of this when buying new trainers.

The wearing of jewellery, earrings and ear-studs are not permitted on safety grounds during physical education lessons and other sporting activities such as out of hours school learning or competitive fixtures. These items represent a potential hazard not only to the wearer but also to other students. Removal of any jewellery will be insisted upon, so please take this into account when considering piercings and the healing period. Plasters placed over piercings are not permitted. Failure to remove any jewellery upon request will be treated as defiance and the student will be issued a C3 and removed from the lesson.

Technology

Students will be provided with aprons for their technology lessons. All students opting for GCSE catering will need to purchase chef whites, hat, hair net and a navy and white butcher's apron.
