

April 2022

Year 6 Welcome Letter 2

Dear Parent/Carer,

I would like to extend a warm welcome to King Charles I School as head of the Borrington Site to all the parents/carers and young people who have chosen our school for the next stage of their educational journey. I look forward to working with you to ensure your son/daughter is able to achieve their full potential over the next 7 years.

We have had an excellent year, even with the challenges that we have been presented with. We are hugely proud of our students and we are delighted that you will be joining our King Charles family. I am sure you and your son/daughter will already have questions about starting secondary school, which is very normal. One of the most common questions I hear is, what do I need on the first day? I wanted to assure you that all questions will be answered through our correspondence over the next couple of months and all students will be supported through their transition to Year 7. The school website will have copies of all the letters and information that we distribute in the parents' section as they are distributed. This can be found at www.kingcharles1school.sch.uk.

We have planned several activities as part of the transition process which includes a 3 day transition from Monday 27th June to Wednesday 29th June 2022. This is where students will spend time getting to know other students; meeting King Charles I School staff; familiarise themselves with the site; get to know some of our routines and find out about all the wonderful opportunities they will have access to, during their time at King Charles I School. We will also host a new parent evening on Wednesday 29th June 2022.

We work closely with all primary schools to help students and their families make a successful start to their time at King Charles I School. This includes transfer of information about your son/daughter from their primary school; additional transition visits; parent/carers tours and 'question time' so everyone is happy and confident prior to the summer holidays.

Our pastoral staff, teaching and non-teaching staff work tirelessly to enable all students to flourish at King Charles I School and we hope that this will be the start of a wonderful 7 years.

Yours sincerely,

James Wilkinson
Assistant headteacher
