King Charles I School Appeal Trust

Dear Parent/Carer,

The members of the Appeal Trust would like to take this opportunity to welcome both parents/carers and their son(s)/daughter(s) to King Charles I School. The Appeal Trust is a registered charity for the school that raises funds to help provide the extra things needed to enhance the education of your son/daughter. We fund our awards to the school from a combination of your donations and investment income.

Examples of funding we have provided, are inspirational speakers, reading books for every new Year 7 student, enabled our Year 8 student to experience a first aid taster session, workshops in art, catering, music and English, plus performances in French and German by a visiting theatre company. In this extraordinary year, we have been able to offer a large grant towards essential text books provided to the students while they have had to study from home.

We would like to continue to provide these “extras” and in the past parents/carers have been very generous, so we would like you to support us. You can help by donating whatever amount you can afford – every pound counts! The best way is to give by a Gift Aid Donation, which means the Trust can receive an extra 25p for every £1.00 donated by reclaiming Income Tax. Please be assured that all contributions will be kept confidential. School staff will not know who is/is not donating, and we recognise that some parents/carers will be unable to help us in this way.

Please think about what you can give to help your son/daughter. I appreciate how difficult this may be for some of you at this time but any amount is gratefully received. To maximise value for all students, donations are appreciated at the beginning of the school year but they may be given at any time via cash donation or standing order. A standing order form is on the reverse of this letter if this is something you would consider. You can return the form to school or post it to the school address below.

Thank you in anticipation of your support.

Yours sincerely

Rachel Adams
Parent/Carer Representative Trustee
